SPECIAL MEETING - At the Call of the Mayor, a special meeting of the City Council of the City of Lodi was held on Tuesday, March 9, 1943 beginning at the hour of 6:00 o'clock P.M. of said day, all Councilmen having signed a "Waiver of Notice and Consent to Meeting" for the purpose of authorizing the sending of notice to Foster and Wood Canning Company, that, in-as-much-as they had failed to execute the contract tendered February 11, 1943, the City would not, itself, use the storm drain outfall sewer and its lands and facilities previously so used for the disposal of cannery wastes and would prevent others from so doing by enforcement of Section 9 of Ordinance No 50 relating to the discharge of bulky substances in city sewers. Councilmen Coffield, Riggs, Spooner and Mayor Pinn present at the meeting, Councilman Weihe who had consented to this meeting after being apprised of its purport, was unable to attend due to the prevailing severe storm.

On motion duly made, seconded and carried, (after reading a draft of the proposed notice as prepared by the City Attorney), the Mayor was authorized to serve notice on Foster and Wood Canning Company by letter, stating that, as the contract above mentioned had not been executed, the City proposed to strictly enforce the provisions of existing ordinances relating to the use of sewers by individuals, particularly Section 9 of Ordinance No 50.

The purpose of the meeting having been accomplished, the City Council adjourned.
